Respected Sir,

We hope this email finds you well. We are writing to request your permission to host a non technical event for the upcoming NOVUS 2026 event. We are planning on hosting a hot air balloon race, titled "UDD JA", for the first year students of our campus. The event is tentatively planned to commence on 10th October, 2026 at 3pm on KLH grounds. The registration fee is proposed to be Rs. 999/- for early bird passes. The event will last 2 hours long and refreshments will be provided. Safety measures will be taken up by our volunteers and the required equipment will be provided by us. We will proceed with the preparations once we are granted permission.

Thanking you.

Yours Sincerely,
